Transport

As you know, organization has limited transportation. There will be only 2 round-trips by day. I already warned the Organization to try to augment the number of round-trips but I got no effective answer until now on that.

Meals

Also, Organization arranged special food for us in "Bouka Beach Club" that will provide athletes with healthiest food. It is not mandatory. You have other cheaper possibilities, although not so healthy.

Advertising

There is no written rule forbidding advertising for this beach volley championships.

We should follow the ICSD regulamentations on this matter:
