Bulletin Nr. 1

Switzerland 20 December 06

WELCOME IN SWITZERLAND!

Provisional entries

Till today EDSO hasn't informed about the number of nations and participants for the 11th shooting EC in Geneva (deadline: 30th November 2006).

Competition site

The shooting competitions will take place at the shooting range „St. Georges“ in Geneva (Lancy). The inspection through the TO-shooting Antonio Endrizzi from Meran/ITA took place on 21th October 2006. Everything has been accepted enthusiastically. During the EC, the armes will have to be exclusively deposited at this shooting range.

Shooting ranges „St.Georges“ in Lancy-Geneva

Transport

For the day of arrival we can offer an unique personal- and material transport from the airport Cointrin-Geneva to the shooting range and eventually to the hotels in Geneva. The transport will be organized only according to the written entries (the entry form will follow with the bulletin nr. 2). The public transport services will make available tickets free of charge for the periodical running city busses (hotel-shooting range-hotel). A car park at the shooting range will be available for the car travellers.

Hotel

IMPORTANT! All nations have to make the hotel bookings themselves directly by the hotels and pay them themselves.!

We can recommend the ***hotel „International & Terminus“, who is informed about our EC. Please send the enclosed booking form to the hotel „International & Terminus“. This hotel doesn't dispose of a car park, but you can find quite near (at the main station Geneva) an underground car park liable to a fee. All other hotels can be downloaded from the homepage: www.geneve-tourisme.ch / English / Accomodation / Hotels List). The OC will not be able to inform about the hotels. We recommend to make the reservations as soon as possible, because the hotels will be booked up very quickly.
