## Bulletin 2

Switzerland, 21 May 2007

Dear shooting friends,

### Hotel reservations:

You will be **self responsible for the hotel reservations till the 15th June 07.** (Please see bulletin nr. 1 and appendix). From this date on, the hotel „International & Terminus“ will leave the rooms, who were provisional booked from the OC for the EC participants. We can't guarantee that the hotel „International & Terminus“ will still have enough rooms. As alternative you to look at the website [www.geneve-tourisme.ch](http://www.geneve-tourisme.ch) and book other hotels.

### Final entry

75 scorers, under them 10 women from 17 nations entered. See [www.edso-deafsport.eu](http://www.edso-deafsport.eu). We had to strike of the list the event 300m, because only 3 nations (SUI, DEN, NOR) entered. Instead of the event 10m air rifle, a team competition with women and men will take place. Enclosed we are sending you the adjusted shooting programme. Attention: Subject to change!

### Transport:

The OC will only offer a free of charge transport from the airport – shooting range – hotel at the arrival- and departure day. During the shooting hours the public transportation (from the main station bus nr. 2 till St. Georges, tram nr. 13 / 15 / 16 till rue du stand) have to be used. The participants will get from the hotel in Geneva tickets free of charge.

### Information of the arrival time

The participants, who will travelling by plane, have to inform the OC about the date, arrival- and departure time, flight nr. and hotel. We can only guarantee this way our transport free of charge. The car drivers have to go directly to the shooting range to deposit there the shooting material. The cars can be left there during the whole week free of charge (most of the hotels do not have car parks or the parking fees are too expensive). The car drivers have to inform the OC about the approximate arrival time at the shooting range and the name of the hotel. Please see the annexed entry form.

### Portrait photo for the ID-cards

We beg you to send **till 20th August** by e-mail or post a portrait photo of all the shooting participants and officials to the under mentioned address (only to [zaugg.hauser@bluewin.ch](mailto:zaugg.hauser@bluewin.ch))! Please do not forget to write the names.

## **Excursion to the olympic museum in Lausanne**

At the moment, the OC is organizing for all the interests an excursion to the museum olympic known all over the world. This would be an excellent idea for all of you! As soon as the organization will be settled, we will inform you about the costs.
