European Deaf Table Tennis Championships from 6th to 12th 09.2015 of Baden at Vienna / Austria

Dear sportsfriends,

I was elected the new technical official and confirmed by the EDSO-Board in the year 2011. I thank you for your confidence and have in the meantime worked out a new table tennis regulation together with Martin Boggard. For the reason that all regulations must be treated as equal, except sports-specific regulations, I have completed an improvement for table tennis.

The European Deaf Table Tennis Championship is supposed to take place in Austria in March 2015. Austria has asked, for organisational reasons, to postpone the European championship until September 2015. The European Championship will take place in Baden at Vienna/Austria from 06th to 12th.09.2014.

At this European Deaf Table Tennis Championship shall, for the first time, a European youth Championship in single, double and double mixed without team in two different age groups be carried out. Essential for this is, if during registration the need for this competition is big enough. The youth European Championship will be carried out during at least two or three days.

We ask you to fill out the enclosed application until the end of the registration period. Thanks in advance!

The EDSO-representative and I will go to Baden/Austria for an inspection tour at the beginning of September 2015 and I will inform you afterwards in bulletin No 1.

Yours sincerely
Horst-Peter Scheffel
Technical official in table tennis of the EDSO
