Hello again everybody,

Less than 2 weeks are separating us from the opening of the 7th EC Deaf Volley – 2 weeks in which we have still a lot of work to prepare many things. Here, in Belgium, things are going fast and well but we still need much information from you.

But first, we give you all some useful information about this 7th EC.

Our transport group is now working hard at a schedule to pick up all participants with busses. We hope that we will not meet big changes at the last moment !!

- **Programme and game schedule and training schedule**

On our website, you can see our different programmes – we will now update all information according the latest situation.

In annex to this Information Bulletin we add an Excel file with all matches, with training hours and with program information.

The Game Schedule is now finally finished after a long discussion. With the approval of the EDSO delegates (Sandugei and Romantsov) we have found a compromise between our points of view in this matter : the draw of Kortrijk on 24-01-2007 for women teams was correct and will be followed – for the men teams, we have agreed that the draw in SLC of 08-02-2007 will be followed but that our game schedule will not change (only changes in the teams and the groups).

All matches will be lead by professional referees of high level.

Game schedule can be seen in annex on the Excel file and on our website (and the website of the EDSO).

And we have provided some extra activities for those who wants to enjoy deaf theatre, to enjoy contacts with deaf clubs in Kortrijk .. see our website.

- **Transport Information during EC**

During the whole EC, all transports between the hotels in Kortrijk and the Sport Venue will be provided by busses (our own busses or public transport busses). The public transport company “De Lijn” in Belgium has agreed to give all our participants free passes for the use of public transport busses between hotel and sport venue.

These passes will be given to the team officials at our first technical meeting on 10th May at 19 o'clock. We will also give time shchedules and route maps for everybody.

- **Meals during EC + Fare Well Party**

During the EC, we can provide warm meals in the Sport Venue. The warm meals will be served between 11:00 - 13:00 and between 17:00 – 20:00. We can also provide lunch packs (2 sandwiches and dessert/fruit).

The prices are very low : warm meals costs 10 euro per person – lunch packs 5 euro per person.

The warm meals will be available from Friday 11th May. We will hang out every day the menu for the next day. All meals can be reserved the day before – meal cards can be bought for 10 euro's at the restaurant in the sport venue or at the EC Secretariate. Persons without meal cards can not have warm meals, sorry – we need to know the day before how many meals we have to prepare to give everyone enough.

The menu for 11th May : Asparagus Cream Soup – Codfish with mustard sauce, spinach and potatoes – Dessert : Yoghurt.

If you want to have the warm meals for Friday 11th May – please send me a mail with the number of persons who want to have a warm meal and we can arrange the payment on Thursday 10th May during the Technical Meeting.

The Fare Well Party : After the Final matches and the Closing ceremony, we will have a Fare Well Party in a beautiful environment. We have reserved the Conference Center Gruzenberg nearby Hotel Kennedy.

We will offer a Barbecue Banquet with 7 kinds of meat and various kinds of vegetables (warm, cold)

The Fare Well Party will begin at 19:30 – the price is 27 Euro (inclusive meal and entrance of the Conference center). We ask everyone to buy the tickets before or during the EC.

For those who do not want to eat at the Party, the doors will open at 22:30 for the price of 7 Euro.

We have to close the Fare Well Party at 3:00 o'clock in the morning.

• **Technical Information**

All teams must have 2 different colours (contrasting colours) of equipment – see the technical rules, send by Mr. Romantsov.

The official balls for this EC are Mikasa MVP200
The same balls will be used for the FIVB competitions
And for the Olympic Games 2004 / 2008

The first technical meeting will be held in the Sportvenue Lange Munte at 10th May 2007 at 19 o'clock in the meeting room on the 2nd floor. Mr. Romantsov has already send you all the agenda of this meeting (see Technical Regulations).

The floors in the sport venue are made of high quality wood – shoes with black bottoms will not be allowed on the game-floors. Please ask all your players and officials to use footwear with white soles on the play-fields.

- **Official passes (badges) – name lists – photo's**

Mr. Vassyl Sandugei has send on 5th March 2007 2 documents. For registration of names of players and officials (men and women teams).

These are important documents – we would like to ask you to send a copy of these documents to us. (because correct and quick communication is often a big problem ...)

We have received today (28-04-2007) all necessary names from Mr. Sandugei (THANKS)

But .. we need more : we also need photo's of every player (women / men) and official to make the passes for acces to the sport venue and for the free transport between hotel and sport-venue.

Without photo's, we cannot make these passes in time. PLEASE before 10.05.2007. Don't forget to write the names of the players on the back of the photo's ☺

- **Other little things**

We ask all countries to bring **2 Flags** of their country. PLEASE !!

All other information can be found on our website www.deafvolleyec07.eu
