

23.02.12 Report EC 1

Today was our downhill training without timer. The weather is cloudy and okay. But the course is very good.

Marcel Kunert as Chief of Course have build the beautiful course. The course have 3 jumps (1x1,40 meter and 2x0,40 meter high). This is not light for the new athlete, but it is professionally. All athletes skiing 3 runs, because all know piste.

Mike Schmauser as EDSO TO open the second meeting in Pischach resort. Ota Pansky as EDSO representative draw lots for the startlist for Non stop Downhill 23.02.12. See you the attachment start list.

Tomorrow afternoon is the open ceremony.

I want to thank our team pischach, team Switzerland Toni Koller as OC and Roman Pechous as general secretay for working very well with us.
