Conclusion report by Martin Bogard.

I must congratulate the Swiss Deaf Sports Federation's organising Committee for working extremely hard in ensuring that everything was well organised. In fact, it was the best European Deaf Badminton tournament ever and was trouble-free from beginning to end. As we all know, the Swiss are famous for their watches, which come with a guarantee of excellent time accuracy. I think the OC have proven, without a doubt, that they achieved that standard of excellency too!

We were very fortunate to have a wonderful ICT team, consisting of Hans Coolen and Kees Noevers, from Holland, who worked with us to ensure that the Live Scoring system and display screens were working perfectly on all the courts. So many people followed us from all over Europe and around the globe, via tournament Software, which has proved invaluable. Hans and Kees have always enjoyed being with us. Also, I must give thanks to the FocusFIVE crew who filmed "Live" all day, on the last two days. I have been informed that many people watched several matches on the internet - this is absolutely fantastic!

The Sports Hall was so huge and it included the adjourning training hall so that the players had that valuable training time before their matches - this was fabulous! The main hall itself was decorated and looked lovely especially with a wonderful illuminated podium!

I was so pleased to have worked with our two referees; Monique Bastien and Pascal Gaudin, who cooperated with us very well to ensure that the tournament ran smoothly. We had umpires from different countries, including Switzerland, Germany and the Czech Republic, some of whom learnt basic signs from Sign languages so they could communicate with the players.

I must also thank Emilia Karlen-Groen who worked so hard organising the match control to ensure that all matches were played on time - she achieved this brilliantly.

I was delighted to see the high standard of play from several players from Bulgaria, Ukraine and Turkey. Plus, it was amazing to have witnessed such a terrific match in the ladies singles final, between Gergana Baramova of Bulgaria and Katrin Neudolt of Austria, that was down to the wire as both players played superbly. Gergana won 21-16, 25-27, 21-19 and the match lasted for 52 minutes!

I must congratulate all the players for their efforts throughout the competitions.

Lastly, and not forgetting, a huge thanks must go to the City of Geneva for their support to cover the cost of the halls, materials and manpower and all the staff (volunteers) who multi-tasked throughout the competitions, including the serving of meals.
