Open and Medal ceremony

Closing ceremony

Closing ceremony, Banquet

Culture program for max. 700 people

Inspections of the start and finish were made; track profile, technical matters as well as requirements and needs of both sides were explained and made for clarification.

The clarification of the European Championship program is providing health services and doping control rooms for technical meetings to inform the UCI, digital scoreboard and the like.

Report written by Ota Pansky

Date: August 2013

GSV Tirol will send invitation to VIP guests as well as ensure the establishment for the honorary committee and the cultural program.

Conclusion: willingness and support for the organisation of the race is secured. Above are brief comments on photos.

At 15:00pm started the meeting with the head of the tourism office of the "Kitzbüheler Alpen-Brixental Region" - Mag. Christoph Stoeckl

Theme of the meeting: Place of the open and closing ceremony, banquet, hotel with parking at the ...
