Distance from Moscow – Saransk 642 km

The city has their own University; The [University of Mordovia](#) and several technical schools.

Saransk is a very modern city. Sport minded. The Swimming pool is build in 2012 and opened by President Putin.

Currency : Rubel

The EC Swimming will be held for the first time in Saransk.

There are not many hotels in the near area of the swimming pool. They need to use transportation methods like shuttle busses.

The swimming pool as three pool( Paddling pool, 25 an 50 metres), grandstand (800 seats) changing rooms , TO meeting space, restaurant, etc.

In March RCDS will organize the Russian championships in Saransk. This will be the first time this event is held in Saransk.

RCDS-TO swimming Maria Buynyakova will contact a FINA official in March, this to determine who will attend in June 2014, this is not known yet.

We checked several hotels and are awaiting for the full price offers. The checklist will be made by the organizing comité.

Transportation:

Not possible with Airport , if someone is still taking the flight fly , to find themselves.

However, the same advice.

Hotel : Four different hotels viewed . The organization will translate to English Russia .

There is an airport in Saransk, but it is not international and it does fly goes from Moscow. I would recommend taking the night train.

The advice will be given to take the night train from Moscow,

The reaction of the organization was positive of my presence. I am a little concerned in the time frame. It will be tight to have it all organized. It has to be a good and successful event.
