### Youth:

According to interest of participating racers the 1st European Juniors (15 to 20 years) Championship will be organized within 4th EC under the condition of minimally 5 nations entries in both men and ladies genders.  
In case of less than five nations entries only EC individual and nations team event will be organized.

The PRELIMINARY FORM will be sent to the National Ski Associations shortly, concerning:

- European cup skiing for nations team 2010
- European championship skiing 2010 for juniors - from 15 to 20 years ( born 1994 to 1990)

In case of organising European Juniors Championship we organize only one competition of each discipline, the results of the youth categories will be classified within the European Cup of all participants.

In case of not enough entries and not organising European Kids and Juniors Championship should be possible to award young racers in their categories.
