

Report 3/ 25.2.2012

After the opening ceremony on Friday 24 February at the European Championships began Saturday, February 25, 2012 the first famous discipline - Downhill men and women.

Perfectly adapted to the track with 3 jumps Pischia welcomed in fine weather the best alpine skiers deaf.

During the 1st round races began to strike an electronic timer, after some delay, however, managed to finish everything in full even if the delay. Timekeeping served commissioned company, not the organizers. This thank you for understanding for all participants.

The results are in the Annex.

After the downhill races in the area of the races at the upper cable car station Pischia flower ceremony for the European Championships (men, women and juniors) and the official ceremony for the World Cup (men, women, juniors and masters) ..

After the ceremony was just a technical meeting (Downhill and draw appreciation for Startlist superkombination) and competitors can also train for the slalom superkombinabi for the next day.

At the 17.30 clock in Davos began Medal ceremony for the European Championships for the Downhill and the large participation of people.
